- » Exporting towards 28 European countries

MISSION

At AOKE we develop and provide our customers with high-quality, ergonomic office equipment in order to promote the well-being and productivity of office employees. Supported by our high service level and fast delivery times we offer an excellent experience for our customer.

VISION

While being a leader in sustainability we promote a healthy office environment on a global scale with high quality equipment. We are anticipating on the latest trends in the industry by focussing and investing in R&D. We keep replacing old fashioned office equipment by our modern, ergonomic products, so employees will be happy to come to work every morning.

GREEN, HEALTH & COMFORT

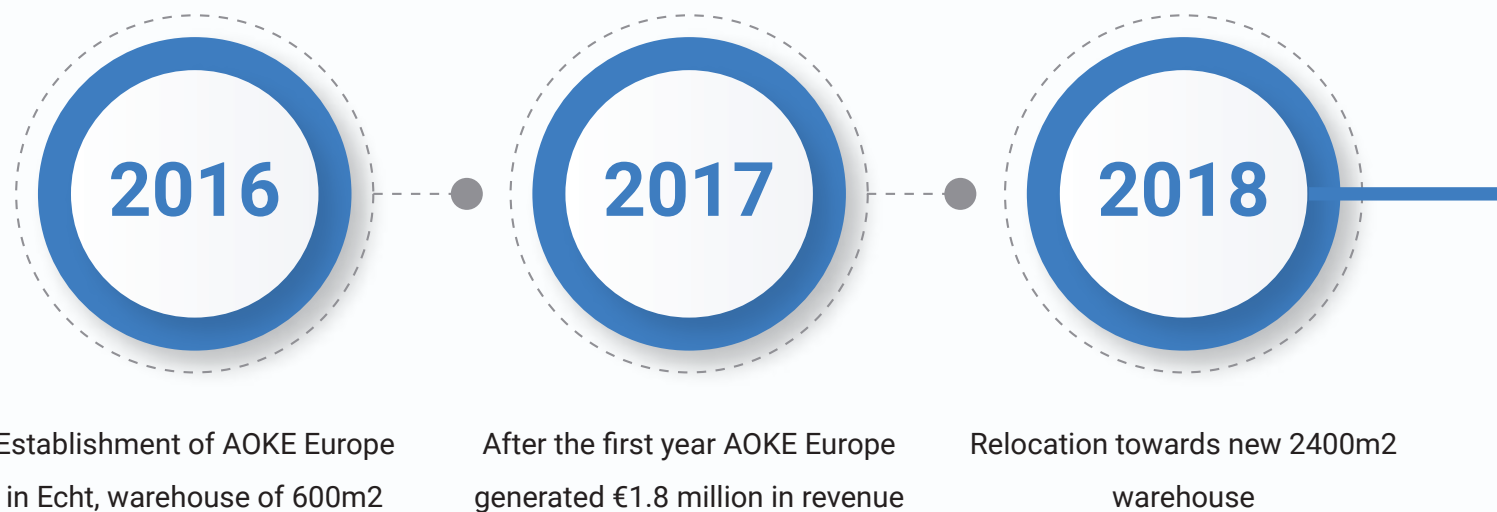

At AOKE we have a strict commitment towards the environment, health and comfort.

AOKE is managed in accordance with ISO:14001, this means preventing environmental pollution. We make use of environmental friendly resources in our products. Moreover, we control the risks resulting from our organisational activities. So we won't damage the earth when providing a healthier workplace for you!

- 🌱 **AOKE** is focussed on health by ergonomic desks and chairs. We want you to stay healthy and keep the best body positions throughout your day. By working with ergonomic desks and chairs your body and mind will stay healthy, which will lead to a higher productivity. key here is an alternation of good working postures, a variety of tasks and sufficient breaks from sitting. AOKE for a healthy workday!
- 🌱 **AOKE** focusses on both health as comfort, it is important to have a comfortable office chair to provide you with the peace you deserve. AOKE office furniture will let you enjoy your breaks even more! Comfort comes from quality, at AOKE we only deliver the most high-quality office furniture for you!

warehouse

CERTIFICATION

At AOKE Europe we strive to provide you with the best quality office furniture, therefore we are constantly optimizing and improving our processes. The following certificates apply to our organisation.

ISO 9001

With an ISO 9001 certificate we show our customers that our processes meet international standards and attach great importance to continuous improvement of our processes.

CE

Our CE certification is an key indication our products comply with the legislation of the European Union.

NEN EN527

The NEN EN527 Certification specifies our high-quality products comply with safety, strength and durability requirements for work tables and desks used for computer and office tasks.

ROHS

ROHS stands for Restrictions of Hazardous Substances. At AOKE Europe we comply with the regulations regarding restricting the use of hazardous substances in our electronic equipment.

NEN EN1335

A European standard that specifies dimensions, adjustment possibilities and corresponding adjustment ranges. AOKE provides these standards so our office chairs are suitable for the majority of the European population.

TABLE TOP SERIES

To make the AOKE office experience complete we have a wide range of table tops. All colours can be ordered on request but for a quick delivery we have White, Logan oak, Robson, and Nature oak on stock.

When frames are combined with table tops we provide you with an even better price!

Beside our four on stock table top colours; White, Nature Oak, Logan oak, and Robson Oak. the lead time for other colours is 5+ / 8 - weeks.

Our standard sizes are:

- 1200 * 800 * 25 mm
- 1400 * 800 * 25 mm
- 1600 * 800 * 25 mm
- 1800 * 800 * 25 mm

- » All other sizes are available on request and have a lead time of at least 5 weeks.
- » All our table tops can be packed separately in a custom made carton packaging, for an additional €14,95. (SKU: TTP)
- » Better prices in combination with frames, for more information please contact us via mail or telephone.

Logan Oak

Nature Oak

**Connect set / SKU: CPT.S.BL**

To connect two table tops we have a connection plate set. This set can be screwed onto both table tops to make them connected as one piece.

Sizes : 35mm width x 150mm length x 3mm height

ACCESSORIES

The total package

At AOKE office we provide you with a complete range of office equipment. We offer a wide variety of ccessories to make your experience even better.

Our recommended accessories for every frame are:

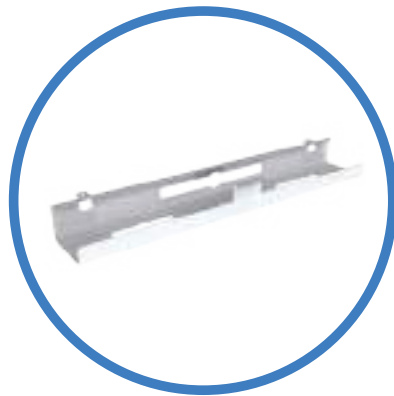

- » **Cable trays;** to hide any loose cables inside the frame and make your office room clean and tidy
- » **Cable tubes;** to conceal cables going upwards to the socket plugs and computer screens
- » **Power outlet;** to provide laptop users with electricity or other electronic equipment

For our DUO set-ups (bench series) we also recommend the **partition panels** to create a sense of privacy.

Furthermore, AOKE Europe offers different other solutions, learn more in the upcoming pages.

Cable tube

Metal cable tray

Partition panels

Socket plug

Cable tray / SKU: CM.800

This cable tray can be used to hide cables, the cable tray should be screwed to the table top. An absolute must to create the best office experience.

Length : 800 mm
Available in : Aluminium (RAL 9006)
: Black (RAL 9005)
: White (RAL 9010)

Single tube / SKU: CT.128.H / Bench tube / SKU: CT.132.B

This flexible cable tube allows you to conceal the cables running up to your computer screen or other electronic devices. It creates a more professional and clean office space and is therefore a must in your office. These come in single desk tubes or bench tubes.

Length : 1280 mm
Available in : Aluminium (RAL 9006)
: Black (RAL 9005)
: White (RAL 9010)

Power outlet / SKU AK-233C.BL

To provide you with easy electricity access on top of your desk . This socket plug even has a double USB port for your mobile devices.

Configuration : EU plug* 2+USB/A+C(38W)+2.5m length EU plug+mounting base

Input : AC 250V 10A

Output : AC 250V 10A

USB A output : 4.75V-5.35V/3A 8.55V-9.45V/2A 11.40 V-12.6V/ 1.5A

Type C output : 4.75V-5.35V/3A 8.55V-9.45V/2A 11.40V-12.V/ 1.67A

Part. Panels | SKU: PRP.160.80 & PRP.180.80

To provide office employees with more privacy our bench series should be delivered with a partition panel. Moreover, it creates a tidy office space. The use of partition panels is often experienced as very pleasant by its users. The panels are certified with a fire safety certificate. Interested in a different size or colour? Please contact us.

Sizes : 1600 * 800 * 30mm

Available in : Grey
: Anthracite

WIRELESS CHARGER

SKU: AK-T13D

Suitable for office/cafe/restaurant etc., it can charge any device suitable for wireless charging through any non-metal surface, such as wood/plastic/granite etc.

Colour	: Black
Sticker colour	: Aluminium, Black, White
Material	: ABS
Wireless output	: 35W
Transmitting distance	: 15-30 mm

Bench connector | SKU: BCB

In order to conceal the cables when using a DUO frame we advise to use a bench connection beam. They can be linked to two benches with a magnet.

Sizes	: 10 (l) * 60 (w) mm
Material	: Steel
Available in	: Aluminium (RAL 9006) : Black (RAL 9005) : White (RAL 9010)

CPU holder | SKU: CPU.UNI

Our universal CPU holder is suitable for computers up to 14 kilos. It is being attached under the desk to allow the PC to be placed freely from the floor. This reduces the risk of dust and damage and the PC will be lifted with the table top.

Height adjustable	: 300 - 455 mm
Width adjustable	: 135 - 245 mm
Available in	: Aluminium (RAL 9006) : Black (RAL 9005) : White (RAL 9010)

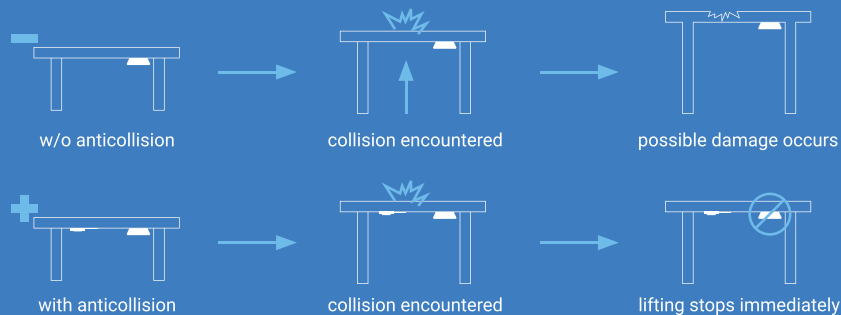

Wireless charger | SKU: WP-W21

With the wireless charger WP-W21, you can charge your mobile devices extra fast without any cables. This charger supports wireless fast charging for all mobile devices that support this function.

Diameter	: 80mm
Hole Size	: 60mm
Thickness	: 12mm
Material	: plastic
Available in	: Black (RAL 9005)
	: White (RAL 9010)

Collision sensor | SKU: TCS1

With this anti-collision sensor you limit damage to the desk and/or devices nearby. Also the safety of the user will increase. As soon as the sensor detects that the desk is colliding with an obstacle, the desk stops moving.

Fatigue mat / SKU: AFM.900.610

Standing at your desk can sometimes cause tired feet and legs. By using an anti-fatigue mat this phenomenon can be prevented. This makes it even more pleasant to use the sit/stand desk. In short, an important addition to your workplace!

Sizes	: 900 (l) * 610 (w) * 19 (h) mm
Material	: TPE
Available in	: Black
Packing information	: 950 (l) * 650 (w) * 30 (h) mm, 1,5 kg

Drawer | SKU: PERS.DR

Less and less documentation material is needed in a digital world. That's why this personal drawer is the perfect solution. It is equipped with a pen tray and has a lock to keep your belongings safe while not taking up much space.

Dimensions	: 300 (l) * 390 (w) * 90 (h) mm
Including	: 2 keys
Available in	: Aluminium (RAL 9006)
	: Black (RAL 9005)
	: White (RAL 9010)

Cabinet | SKU: CAB.3

This portable drawer unit is equipped with telescopic slides, a pen tray and a drawer with a lock. For a safe storage of your personal belongings.

Dimensions cabinet	: 580 (w) * 420 (d) * 540 (h) mm
Dimensions drawers	: 560 (w) * 420 (d) * 155 (h) mm
Available	: Aluminium (RAL 9006) : Black (RAL 9005) : White (RAL 9010)

Wing set / SKU: WIN

In order to create a curvy table top, AOKE offers the “wing desk replacement set”.

This set makes it possible to carry a bigger table top (with curve) by increasing the size of one foot and bracket. By adding this additional space a curved table top can be attached to the new frame. Moreover, the support beam will be swapped into a curved support beam to ensure the stability of the office desk.

Note: the standard support beam, one foot and one bracket won't be needed anymore after installing the wing desk set.

Available in	: Aluminium, Anthracite, Black, White
Size of foot	: 1000 mm
Size of bracket	: 900 mm
Size of curved support beam	: 1200 - 1750 mm

suitable for all dual-motor frame except Little and Home.

MONITOR ARMS

We have three different Monitor arms for our high-quality desks. A single spring Arm (AK-MA02S), a DUO spring arm (AK-MA02D) and a flat Manual arm (AK-MA09D) including bracket for Dual option (AK-MA09B).

Single spring / SKU: AK-MA02S

Dual Spring / SKU: AK-MA02D

Suitable monitor size	: 14 – 32 inch
Rotation angle	: 360 degrees
Height adjustable range	: 240mm
Weight capacity	: 2 – 9 Kg
Material	: ABS & Aluminium
Available in	: Aluminium (RAL 9006) : Black (RAL 9005) : White (RAL 9010)
Warranty	: 5 years

Single Manual / SKU: AK-MA09S

Suitable monitor size	: Max. 32 inch
Rotation angle	: 360
Weight capacity	: Max. 9 Kg
Height range	: 18 cm
Material	: ABS & Aluminium
Available in	: Aluminium (RAL 9006) : Black (RAL 9005) : White (RAL 9010)
Warranty	: 5 years

Dual bracket / SKU: K-MA09D

Suitable monitor size	: 2 * 32 inch
Rotation angle	: 360
Weight capacity	: Max. 9 Kg per VESA mount
Height range	: 18 cm
Material	: ABS & Aluminium
Available in	: Aluminium (RAL 9006) : Black (RAL 9005) : White (RAL 9010)
Warranty	: 5 years

■ Suitable for all dual-motor frame except Little and Home

LEG COVERS

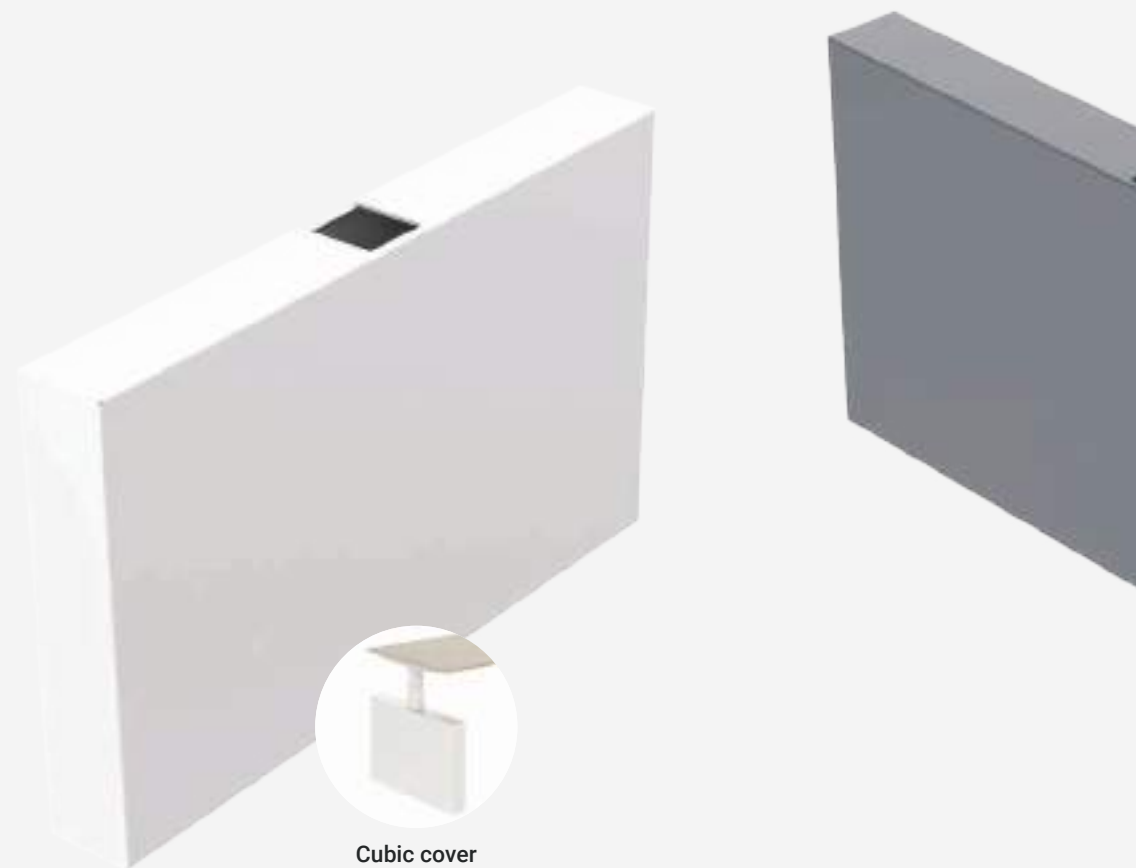

These leg covers are suitable to instal on the legs of the frames. They are used to make the workplace look neat and tidy and available for different frames.

Balance SKU: AK-SH01

The Sit-stand stool "Balance" is a balance stool with a preformed ergonomic seat and is especially suitable for sit/stand work. The seat is height adjustable by using a gas spring. The dish foot creates imbalances and promotes the body to sit upright.

- » Easy to adjust the height of the stool;
- » The stool is fitted with foam; 330 mm diameter
- » 360° swivel: the stool can be rotated 360 degrees;
- » Portability: the handle makes it easy to move the stool;
- » The stool is provided with a gas spring; reach 585 mm - 825 mm
- » 5-year warranty.
