

Your shipments CO₂-neutral in cooperation with Rotra

Offsetting certificate 2024

948.686KG CO₂

Amount of kilos CO₂-emissions released during transports booked at
Rotra Air & Ocean compensated by **Aoke Europe BV**

Aoke Europe BV made a voluntary financial contribution,
which has been transferred to Anthesis Group.

With this contribution, Anthesis Group
finances certified sustainable energy projects.

These projects contribute to the SDGs as defined by the UN.
